

## Individual Classroom News

**Bunny Room:** We are excited to “Celebrate March” with our bunnies. We will continue to work on rolling, sitting up, and eating independently. We are looking forward to playing with cheerio sand and creating some other special art projects. We will take part in “Spirit Week” to celebrate Dr. Seuss’s birthday. We would like to ask for you to send in a recent family photo.

**Ladybug Room:** We will be “Marching into Spring”. We will be talking a lot about springtime and the changes that will take place outdoors. You will be seeing lots of green and shamrocks. We are looking forward to neighborhood stroller rides if we have weather cooperation. All of the Ladybug parents are doing a great job with sending in the “right stuff” for lunch. We would just like to ask that you try and pre-cut certain things. It would make serving go so much smoother. Imagine eight one-year olds at a table, a couple of friends have been served but everyone else has to wait for everything to get cut up. We want everything in small pieces because we frown upon choking. If you could help us out with that, we sure would appreciate it.

Happy Birthday to Croy on March 6<sup>th</sup>.

**Turtle Room:** Our themes for the month are “The World of Dr. Seuss”, “Rainbows, Gold & Leprechauns”, “Spring is in the Air”, and “Hoppy Easter”. We will focus on the colors green, orange and yellow, the number 5, the letter L, and the oval shape. We will continue to work on self-help skills, sharing, taking turns, and using manners. We are looking forward to leprechaun shenanigans and seeing the Easter bunny (most likely from afar), and Spring happenings. We want to remind you that show-n-tell is on Wednesdays and book day is on Thursdays. Happy Birthday to Emberlyn on March 23<sup>rd</sup>.

**Bumblebee Room:** Our themes will revolve around Dr. Seuss, St. Patrick’s Day, Easter, and transportation. We will learn about the letters U & V, the numbers 13 & 14, the color green, and the star shape. We will work on writing our names, using table manners, and gaining more independence. We are looking forward to a visit from Bookworm Barb, Librarian Kim, the Easter bunny, and St. Patty’s Day fun. We want to remind you to check the SmartCare app frequently and we are also looking for donations of extra clothes (3T & 4T). Happy Birthday to Leo R on the 7<sup>th</sup> and Brooks on the 22<sup>nd</sup>.

**Giraffe Room:** Our month will revolve around transportation, St. Patrick’s Day, Springtime, and Easter. The letters we will focus on are M, N, V & W, The numbers 9 & 10, the color yellow, and the triangle shape. We will work on clipping and unclipping bike helmets independently and we are excited about any leprechaun shenanigans that might take place. We welcome any donated fresh herbs for Packer Bunny. Happy Birthday to Max 3/6, Evie 3/10, Connor 3/12, and Kate 3/27.
