June 2025 Newsletter

Summer Drop Off & Pick Up Times:

Please let us know if your drop off or pick up times will be different for the summer! We really appreciate the heads up in any changes as our staff schedule is based on the drop off and pick up times! If you drop off before your contracted time, we might not have enough staff to cover the children and if you pick up past your time, we might have to pay a staff member overtime to stay within our ratios. Thank you for helping us out with this!

Please Note: The new rate increase goes into effect on June 9th.

Bike Day: The first Bike Day for Turtles, Bees & Giraffes will be June 18th!

Water Bottles & Ice Packs: When sending a water bottle, please only put water in it, we appreciate it! Please make sure to send icepacks in lunch boxes if needed, we do not have enough room to refrigerate lunches, thank you!

Hummingbirds, Flowers and Gardens: We recently added a few flower boxes to our playgrounds and hummingbird feeders outside every classroom window. Check with your child if they have seen any special visitors outside their window! We also had a robin's nest in the pergola on the large playground; the babies have finally hatched! Ask your older kiddos about the babies! The Giraffe Room will also be planting and tending to a garden this summer! We are looking forward to snacking on all the yummy things they will be growing! Special thanks to Ms. Donna and her husband Pete for building the raised garden beds!

Summer Items: Please check your child's cubby to make sure they have a spare set of season appropriate clothing that fits. Please send in sunscreen labeled with your child's name and sunscreen form filled out, we appreciate it! Turtles, Bees and Giraffes can start thinking about sending in a swimsuit and towels in a Ziplock bag that is labeled for water play days!

Safety First: Please do not let your child leave the building without you. Pick up time can be a bit chaotic in the parking lot, and we just want everyone to stay safe! Thank you!
