

Little Folks School House

August 2026 Newsletter

Nutrition Update: The State of Wisconsin Child Care Licensing has nutrition standards and is beginning to crack down on child care centers to be sure they are enforcing these standards.

Breakfast: Please refrain from sending in the giant frosted eclairs, sugary donuts and candy. Law requires a grain(1/2oz), a fruit (1/2 cup), and milk, which we supply. Feel free to send in a box of cereal which we can serve and let you know when it's running low. You can also send in frozen waffles or pancakes which we can store and serve. We have syrup available. *Breakfast is over at 8am* so classrooms can begin their day before snack at 9am.

Lunches have been pretty good for the most part. Just a reminder that a lunch **MUST** consist of a grain, a protein, a vegetable and a fruit. Milk is also required and supplied by us. To remain compliant, Little Folks needs to supplement any missing components which we will do, but will have to charge you for them. Please do not include candy in your child's lunch as this is beginning to cause issues amongst the children. FYI, foods sent in for lunch should not require heating. We appreciate your help on this!

Upcoming Picture Day: We will have our annual Lifetouch photos on Friday, September 11th. If your child does not regularly attend on Fridays, feel free to stop in any time after 7:30am to get your child's picture taken. Please let the office know if you plan on stopping by!

Saying Goodbye to Summer Staff: At the end of August, we will be saying goodbye to:

Ms. Natalie, who will be teaching 1st grade at McLane Elementary in West Bend.

Mr. Dylan, who will be teaching 4th grade at Riverside Elementary in Fond du Lac.

Ms. Jenni, will return to KES for her librarian role.

Ms. Sophia, will head back to college in Minnesota to continue pursuing her nursing degree.

Thank you for all your help this summer!

Vacations: Please let the office know of any August vacations or days off for your child.

Vacation day credits: If you would like to use your vacation day credits, please let the office know, they are not automatically applied.

Turtle, Bee & Giraffe Bike Day:

Tuesday, August 11th & Thursday, August 27th!

Please be sure to label your child's bike and helmet for our bike days! There are many of the same styles! This is great exercise for the kiddos and lots of fun! We understand that transporting a bike can be a little bit of an inconvenience but they have a blast, so thank you! Please be sure to checkout our Facebook page for all the fun pictures!

Labor Day Closure: We will be closed on Monday, September 7th!
